

Financial Literacy Tips For Army Leaders

You have a critical responsibility to ensure your Soldiers are always ready to accomplish the Army mission, as readiness is paramount. Financial readiness is a key factor in keeping a Soldier's mind clear to focus on their duties, and like their mission in the Army, you want them to always secure the frontline! To help ensure this readiness, you will find on the back of this card all the moments your Soldiers **MUST** receive financial literacy training. Here are three more ways to **Secure the Financial Frontline**.

Road to Financial Readiness

Think of your Soldier's financial journey as a road trip. They'll need a plan, regular fill-ups, and maintenance to get where they need to go. Like any journey, there is always help right around the corner.

Soldiers receive financial training at each of these milestones:

- Professional moments in a Soldier's career
- Personal moments in a Soldier's life
